LUMUX

UP DOWNS
DL200

The Lumux DL200 is a precision engineered architectural LED ceiling mounted cylinder offering direct and indirect light from a single cylinder in diecast aluminum with no visible hardware in a sleek, symmetrical design. Multiple installation configurations can be specified – ceiling mounted or pendant – making it a versatile product for a wide range of applications. The fixture is constructed with the highest quality of specification grade materials and component parts, while a shielded light source enhances visual comfort.
