

LUMUX

STEP LIGHTS

SL3000

The Lumux SL3000 is a precision engineered, recessed LED architectural step light that is designed for durability and performance. Constructed from the highest quality materials and components, this step light is offered in several form factors and grill options to fit any specification. A diecast aluminum body is seamlessly integrated with its faceplate with captive, vandal resistant stainless-steel screws. This step light features a clear glass diffuser, reducing glare, and is energy efficient for long-lasting indoor and outdoor applications. The SL3000 is a versatile fixture offering three different faceplate options, louvered horizontal, louvered vertical, or scoop.

Housing: Heavy-duty construction of corrosion resistant, low-copper die cast aluminum. Faceplate secured with vandal resistant, stainless-steel screws.

Lens: 1/8" think shatter proof clear glass diffuser

Mounting: Recessed wall or optional concrete pour box

Installation: Installs into a standard 2x4" j-box

Finish: Zinc polyester powder coat finish in black, white, silver, bronze, or any custom RAL color. Consult factory for marine grade or anti-microbial finish.

Driver: Constant current and universal input voltage 120/277V, starting temperature rated at -20°F.

Gasket: Closed cell silicon foam gasket that seals out moisture, dust, and insects for weather tight operation.

Protection Class: IP65, ETL Listed for wet locations

Wattage: 3W

Color Temperature: 2700K / 3000K / 3500K / 4000K
