

LUMUX

STEP LIGHTS

SL400SS

The Lumux SL400 series is a family of precision engineered, recessed LED architectural step lights that are designed for durability and performance. Constructed from the highest quality materials and components, this step light is offered in a wide array of form factors and grill options to fit any specification. A diecast aluminum body is seamlessly integrated with its grade 316 stainless-steel faceplate with captive, vandal resistant stainless-steel screws. This step light features a frosty glass diffuser, reducing glare, and is energy efficient for long-lasting indoor and outdoor applications.

Housing: Heavy-duty construction of corrosion resistant, low-copper die cast aluminum. Faceplate secured with vandal resistant, stainless-steel screws.

Lens: 1/8" thick shatter-proof frosty glass diffuser

Mounting: Recessed wall or concrete pour

Installation: Unit is provided with galvanized steel concrete pour box (see diagram for dimensions). Housing provided with 1/2" conduit opening.

Finish: Zinc polyester powder coat finish in black, white, silver, bronze, or any custom RAL color. Consult factory for marine grade or anti-microbial finish.

Driver: Constant current and universal input voltage 120/277V, starting temperature rated at -20°F.

Gasket: Closed cell silicon foam gasket that seals out moisture, dust, and insects for weather tight operation.

Protection Class: IP65, ETL Listed for wet locations

Wattage: 2.7W

Color Temperature: 2700K / 3000K / 3500K / 4000K

Delivered Lumens:	2700K	3000K	3500K	4000K
	81Lm	90Lm	105Lm	120Lm

CRI: 90
