LUMUX

STEP LIGHTS
SL532SS

The Lumux SL500 series is a family of precision engineered, recessed LED architectural step lights that are designed for durability and performance. Constructed from the highest quality materials and components, this step light is offered in a wide array of form factors and grill options to fit any specification. A diecast aluminum body is seamlessly integrated with its grade 316 stainless-steel faceplate with captive, vandal resistant stainless-steel screws. This step light features a frosty glass diffuser, reducing glare, and is energy efficient for long-lasting indoor and outdoor applications.

MADE IN USA | ETL c US LISTED | IP 65 | Quick Ship

5 YEAR WARRANTY | J Wet | MARINE GRADE | TURTLE FRIENDLY

Housing: Heavy-duty construction of corrosion resistant, low-copper die cast aluminum. 45-degree angled louver faceplate secured with vandal resistant, stainless-steel screws.

Lens: 1/8" thick shatter-proof frosty glass diffuser
