## STEP LIGHTS

### SLR300RS

The Lumux SLR series is a family of precision engineered, recessed LED architectural step lights that are designed for durability and performance. Constructed from the highest quality materials and components, this step light is offered in a wide array of form factors and grill options to fit any specification. A diecast aluminum body is seamlessly integrated with its grade 316 stainless-steel faceplate with captive, vandal resistant stainless-steel screws. This step light features a frosty glass diffuser, reducing glare, and is energy efficient for long-lasting indoor and outdoor applications.
